Our Dear Old High School

Our dear old high school, to you we're true.
Our dear old high school, we honor you.
Within the classrooms, in athletics,
We stand for, we strive for, we fight for you.
Your glorious purpose shall face the earth;
Your sons and daughters all prove their worth.
Our dear old high school, our dear old high school,
Your walls of splendor shall never fall!

Dedication

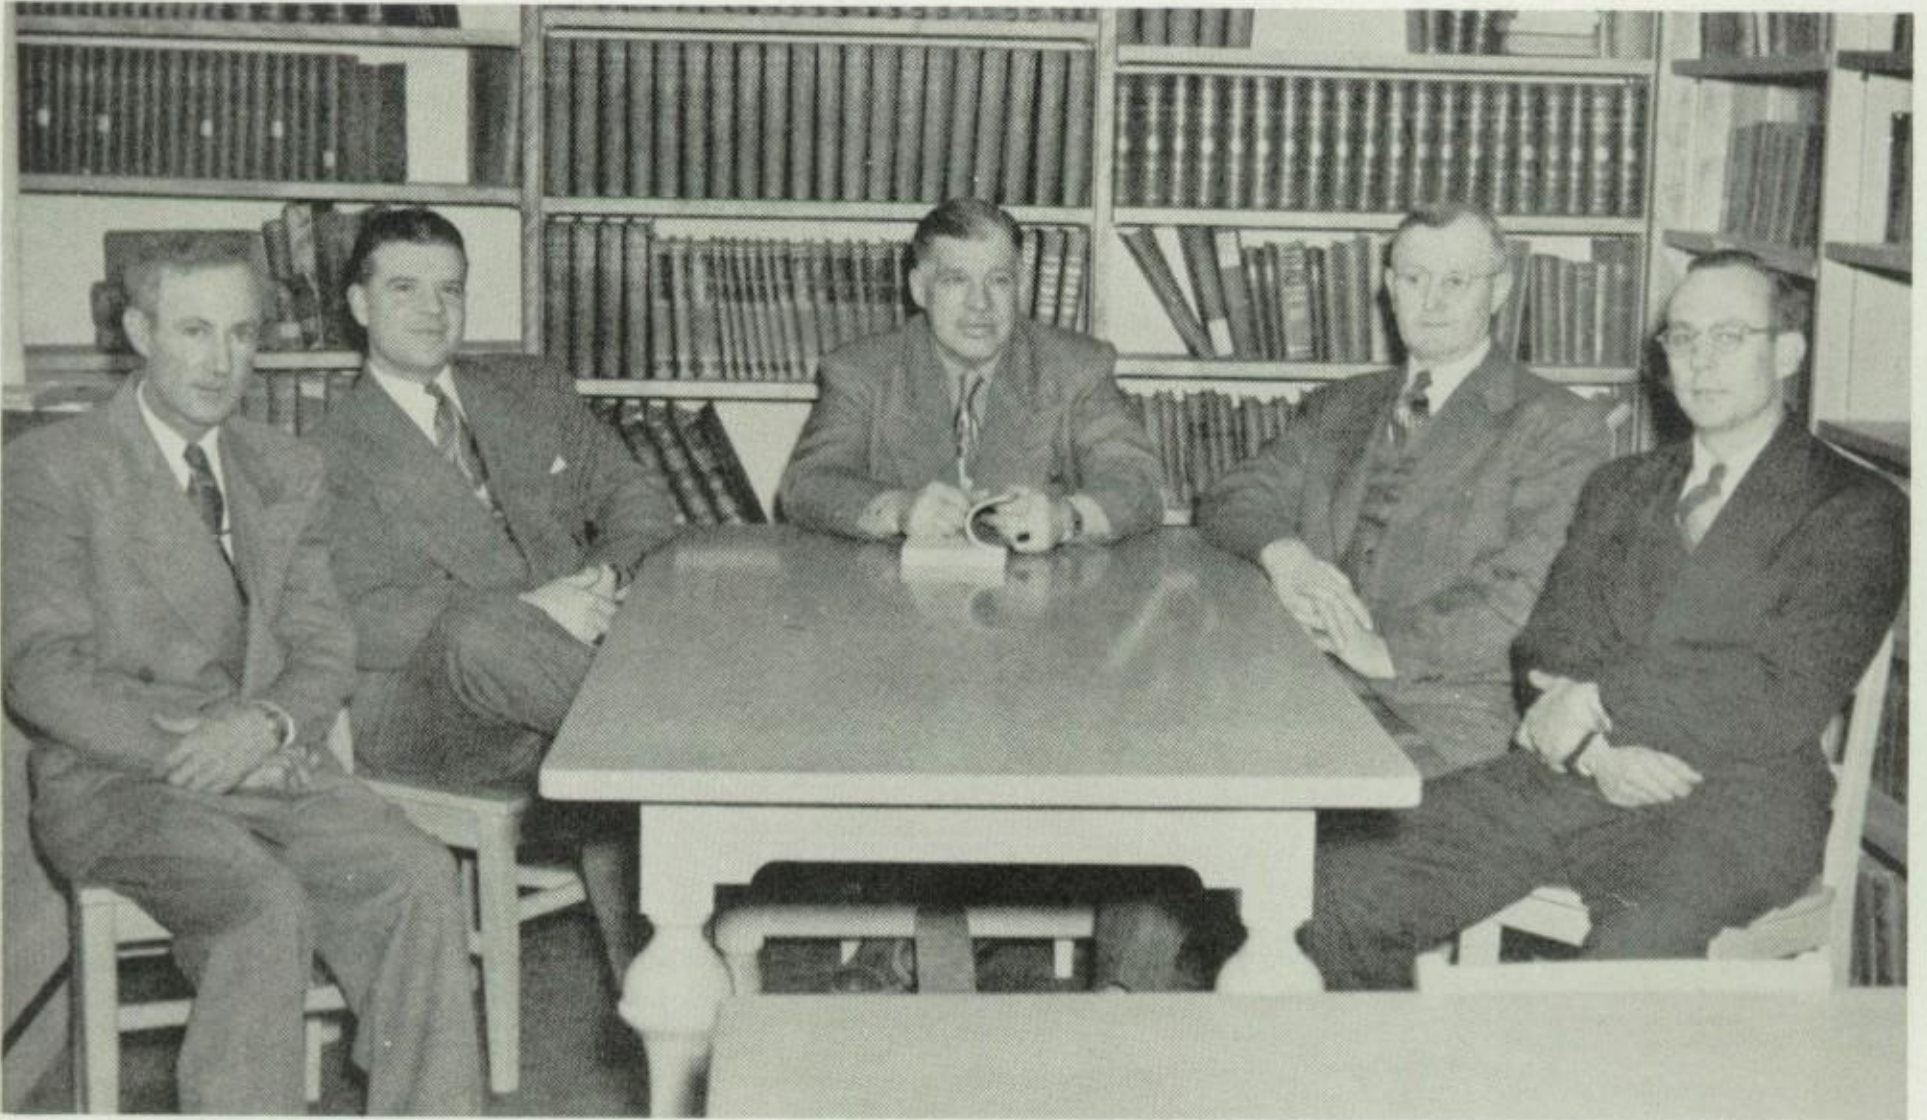

We, the Class of 1952, dedicate this issue of The Forest Leaves to Grace Holtzmuller who through the years has been an outstanding teacher and a sincere friend. Your untiring efforts as class sponsor in the promotion of the many activities of the junior class is deeply appreciated. Your interest and counsel will ever be cherished in the memory of our high school days. Our wish is that many more classes may have the opportunity of your guidance and kindness.

From a material viewpoint you have, no doubt, garnered but little; yet in the lives of those who have sat at your feet, you have given to humanity high aims of unselfishness and service. This is your compensation.

May the years be kind and full of happiness for you. To you, our sincere thanks and may God bless you.

Class Prophecy

The audience is seated now and the curtain is about to be drawn to portray the Senior Class of 1952 twenty-five years from the time of their graduation.

The magnificent curtain parts and on the stage of life stands my class as Father Time shows them to me in the year of our Lord nineteen hundred and seventy seven.

First to appear on the stage of life is Mervyn Curran, a very popular minister in Hollywood. Mervyn has appeared in several movies with his forever impressive marriage ceremony. Also with Mervyn in Hollywood is Janice Musgrave. Oh! But she is not there for the reason you think. Janice is vice-president of an organized club for tall girls. She is vice-president because she is next to the tallest girl in the club. The club is called "Six Feet or Over". Janice owes it all to vitamins.

Ruth Lines, it seems, is governor of Texas. She can rope a steer and ride a pony with a great deal of skill and is liked by all the Texans. Pat Kauble is in Texas, too. She has opened a ranch of five thousand acres "Deep in the Heart of Texas". Although Pat has engaged twenty cowboys, she intends to oversee the work herself. Wise girl!

Next we see Leon Thacker. My, how he has changed! He is storming the country with "Give me women or give me a rope and the nearest tree." Don't be too hard on yourself, Leon! His old friend, John Harford, is a financier of the Cantrun Auto Manufacturers. He drives one of these machines himself and claims it will go around anything on the road that isn't going over thirty miles per hour.

Seeing Florence Garman as the warden in the county jail isn't surprising. Florence has much power in that right arm and the bad men and women are kept very orderly.

On the stage is a university; it is Hootin Holler University. Norman Hayes is coach there. He owes it all to the fact that his picture was flashed across the nation in leading newspapers as the largest boy in the Northwest Conference League.

Patterson is in the spotlight now. It seems that the prominent society leader, Loretta Tracy, will be at her home to receive guests for a few weeks before leaving soon on a tour of the South to renew her search for a handsome husband. Also from Patterson comes the news that John Waller is the head of the U. S. Rum Running Crew on the Blanchard River. He patrols the river day and night, stopping every person or cow to come along. Good luck, John!

There is a huge crowd now. Apparently Erna Simpson, the popular mezzo-bass singer of The Metropolitan Opera Company has returned home. During her concert, she will sing, "Gurgle, Gurgle" from Listerine by Halitosis.

Kay Albert, now a dairy farmer of high degree, owns many cows and what he doesn't know about them is absolutely not known. Kay owes much of his knowledge to Mr. Becker.

Then Lois Spoon comes on the stage of life. She is a noted chemistry professor, who is just back from an extensive tour to see if she can find a metal that will make Fords run all the time, regardless of condition.

There is the smell of food. It is a restaurant run by Ida Packer and her husband is chief cook—handsome enough that any person would be proud to own him. Oh no! It can't be, but it is. They have hired Donald Conley and he is peeling potatoes. It's hard to believe, but then seeing is believing.

The character of Sherlock Holmes has appeared in Beth Alguire. Her brilliant work on the age old mystery of "Button, Button, who has the button," has won the admiration of everyone. She is now working on the case, "Who put the turn in turnips?"

Raymond Weber is seen driving a milk wagon for Kay Albert. Raymond gets up before seven and has the milk delivered by 4:00 p.m. Such speed! What a change!

Airplanes enter the picture now. Edith Cramer is just arriving after having been to Washington. She was commended for her heroic services in the W.A.F. Edith had a long visit with John Hooker, who has a line of motels all over the world. He has come up with a new idea—floating gas stations. Airplanes are the mode of transportation and they can't come down to earth long enough to fuel up. John is like the proverbial sailor "A girl in every port!"

Barbara Parsell was also at the airport. She was just getting ready to leave for Hollywood, where her job was waiting for her. Barbara is the second Hedda Hopper and is contemplating going on television. Barbara and Don Wilkins were visiting. Don has returned from a long vacation in Europe. He is the chief and favorite announcer at W.F.H.S.; he is noted for his clear and well modulated voice that can be heard at great distances. Forest is proud of all these travelers.

Back at Forest we find Margaret Bash as a very popular Home Economics teacher. Her accordion lessons are very popular with the students. Giles Essinger is also in Forest, as section manager of the Mee and U Railroad. Giles could be president of the road but he prefers the wide open places.

Carolyn Baum is head nurse of the circuit of hospitals in Hardin County. Carolyn has a class of 200 girls with which she gives performances for her patients.

Everett Woolley is a grave digger in "The Pleasant Cemetery." He can throw a shovel in a way that makes other grave diggers envious.

And I, Carolyn Kauble am in Hawaii teaching the natives how to hula. Soon I will be going to New York with my troupe to perform in the Lexington Room.

What about Mr. Pine? Well, he's still thinking up money mad schemes for the Senior Classes. I hear that he is getting stingier every day. Mr. Pine, that job is going to make you a **real** miser yet.

Carolyn Kauble

I, Carolyn Kauble, bequeath nothing to nobody.

Carolyn Kauble

Senior Class Play

May 8-9, 1952, saw the final curtain open for the dramatic talent of the Senior class. The play—TURN BACK THE CLOCK—by Marrijane and Joseph Hayes was built around the universal truth that, after all, all generations are alike.

We hope fervently that we have succeeded in bringing back the magic of the year 1928 with the inevitable Charleston, yellow slicker, the racoon overcoat, ukuleles, jazz, and painted jalopies. We hope our audience were able to say, "Yes, that's the way it **was** and **is**. I remember, I remember." And please, when the curtain has closed, don't forget us!

The Junior Class

Class Officers: Kenneth Wright, Treasurer; Wanda Musgrave, Secretary; Yvonne Frater, President; Thomas Kellogg, Vice President.

During the school year of 1951-1952, our days were filled with many interesting activities. As our class advisor, we had Mrs. Holtzmuller, who, all the classes will tell you, is very understanding and fun to work with.

Among our projects for our Junior year were two successful scrap drives for which we wish to thank all the people who helped us.

Our class play—**TATTLETALE**—was next. We will never forget the fun we had in producing this play. As many graduates who have put on plays know, there is nothing like practicing at night and all the little romances and mischievousness that took place! We were quite fortunate in being able to practice during the Halloween season, too. A note to our victims: We really pity you next year when those, if you'll pardon the expression, Sophomore wildcats are on the loose!

Next on our list were some one-act plays put on in chapel and at a P.T.A. meeting. These were comical and fun to work on with Mrs. Holtzmuller as our director again.

Our last and most anticipated project was our Junior-Senior Prom. We sincerely hope that all who attended found it very pleasant and enjoyable.

With final exams completing our Junior year, we are now ready to enter our Senior year at Forest High School. As we look back, we find that time has passed very rapidly. Our only hope is that this coming year will prove as interesting and happy as the last eleven have.

The Sophomore Class

Class Officers: Robert Johnson, Vice President; Carole Lehman, Secretary; Mona Fortney, Treasurer; Paul Staley, President.

Yes, there are now only two years of school for the Class of '54 and, though often times it's rather tough, most of us don't envy the departing Seniors one "smidgum."

Our Sophomore year has been filled with bake sales, scrap drives, and counting sales tax stamps. Of course, we can't neglect to mention also that we sold a few of our wonderful "FHS" socks. They're getting cheaper every year, starting at 50 cents a pair, then 25 cents, and our latest cut has left them at two pairs for 25 cents! (You can buy them from anyone in our class.)

As for the scrap drive, we wish to state that it would not have been very wise to mention the word "paper" to any Sophomore during the certain week of the school term when we had to box all of it. It was really a job! There were also other times when the word "paper" disturbed us. These times were the weeks when we were writing newspapers in our English class. Another job! But now that they are over, both are fun to remember. These are the things that we must strive to keep in mind in order to really enjoy the rest of our school career. After the difficult things are done, we can look back at them with pride and pleasure.

We of the Class of '54 hope sincerely that the graduating class has many of these pleasant memories and that each one will find success in his life ahead.

The Freshman Class

Class Officers: Elmer Seymour, President; Gary Lehman, Treasurer; Lloyd Waller, Secretary; Raymond Woolley, Vice President.

"Freshmen? Ha! Why they're green peas." Everyone makes fun of the Freshmen. We went through a hectic initiation so that we could be worthy of our rank and we made it!

Our class has some outstanding students and we claim two Reserve Cheerleaders. Because of our desire for making money, we are a very ambitious group, always looking for something to do other than school work. Recently we sponsored the Forest-Dunkirk basketball game.

Keep your eye on us! We're an unusual group and Forest High can expect big things from the Freshman Class.

Junior Class Play

November 29-30, 1951, the Junior class of Forest High School gave a delightful, entertaining version of the ever popular play—**TATTLETALE**—written by Anne Coulter Martens.

TATTLETALE, a clever family comedy, was acted out admirably by the cast in such a fashion that the audience was sorry to see the final curtain close.

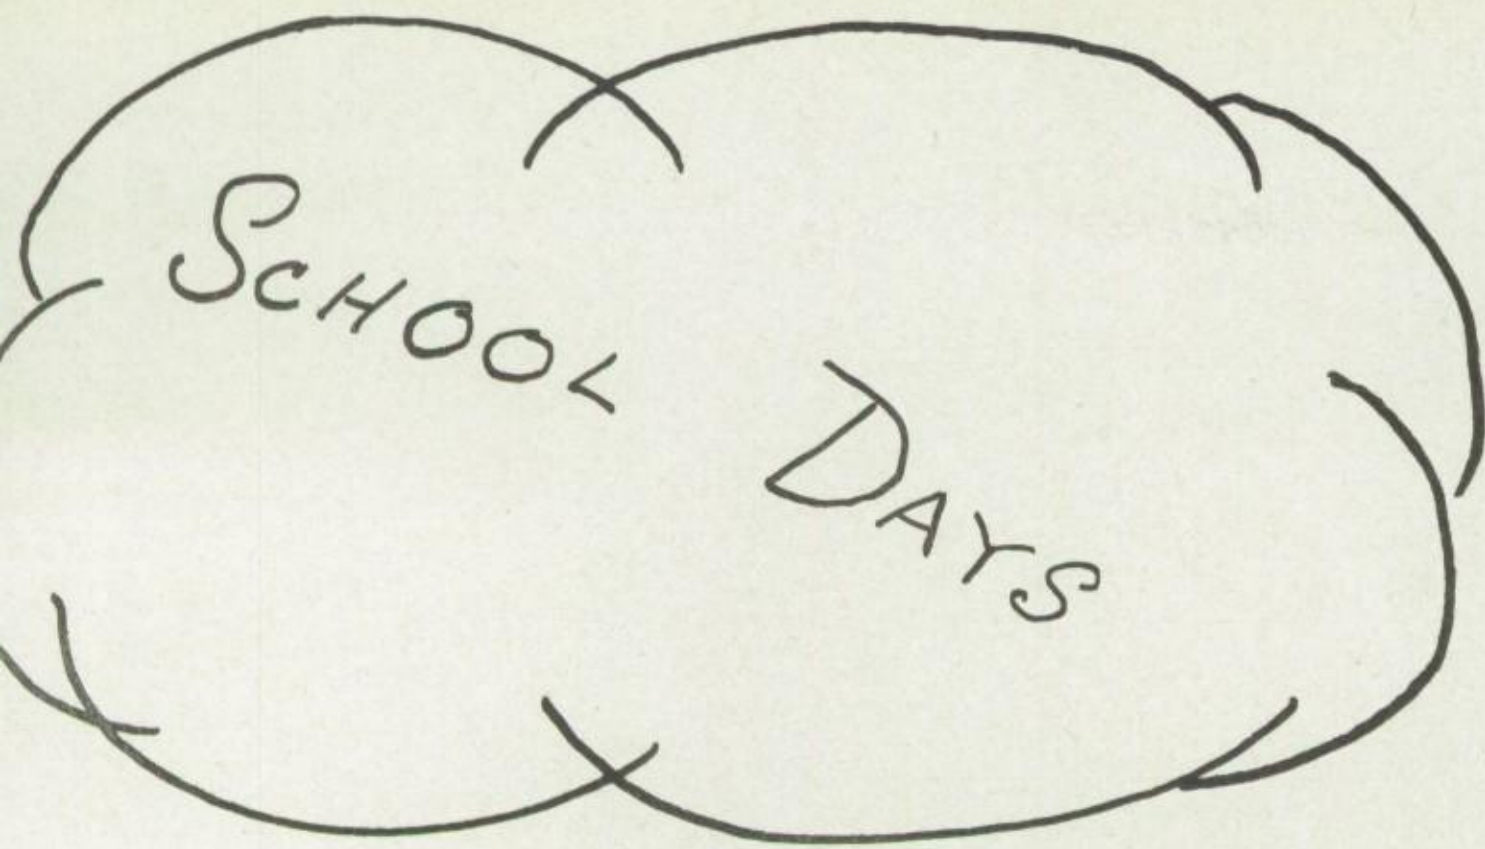

We salute the Juniors on their inspiring performance and wish them every bit of luck in their coming Senior year.

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States and Territories. As an integral part of the program of home economics in the schools of America it offers opportunity for the further development of pupil initiative in planning and carrying out activities related to homemaking.

The Future Homemakers of America brings together state groups interested in and working toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects, local, state and national in scope; it increases opportunities for the development of leadership and intelligent participation so much needed in a democratic society.

The emblem of the Future Homemakers of America is octagonal in shape and bears the name of the organization, "Future Homemakers of America," around the top of the plane while around the lower side of it is the motto, "Toward New Horizons." In the center there is a house supported by two hands which symbolizes that the future homes of America are in the hands of its youth.

Purposes:

- To develop competent, aggressive, rural leadership.
- To strengthen the confidence of farm boys in themselves and their work.
- To participate in cooperative effort.
- To encourage and practice thrift.
- To encourage and provide for the development of organized rural recreational activities.

Activities:

Since our year begins June 1, our first activity for the year took place in July. At that time we attended a baseball game in Cleveland. Numerous other activities in which we participated were a hay ride with the F.H.A., a banquet with the men of the faculty, a pest hunt and banquet, Christmas party with the F.H.A., Parliamentary Procedure Contest, Parent, Son and Daughter Banquet, and attendance at the State F.F.A. Camp. In April two boys applied for State Farmer and one for American Farmer. Last, but not least, we entered the State Judging Contest at Columbus.

In our struggle to earn some money, we raised a field of corn, sold cards and candy, and sponsored a sausage supper and a bake sale. Now we are planning to spend the money on a trip this fall.

One of our interesting projects for the year was the starting of a gilt chain. The chapter bought a Duroc gilt and gave it to a member to keep until next year when a gilt will be returned and given to some other boy who can use it in his project program.

Forest High School Band

At the opening of school, we donned our working clothes and began to practice hard for the coming football season. Our first appearance was at the Preview at Upper Sandusky.

Two of the most exciting games this season for the band were the Kenton and Ada games. October 5 was the game with Kenton and also the Homecoming game. This was a very important game, not only because it was Homecoming, but because Forest and Kenton have always been great rivals. With all the football boys' spirit they won easily. The band used their lights for the first time this year at this game.

It seems that every year at the Ada game it has either snowed or rained. This year was no exception. By the time we arrived at Ada, it was snowing hard. The Ada and Forest Bands played the "Star Spangled Banner" together. Many of the valves on the instruments were frozen and the members were unable to play them. It had snowed so hard and was so bitterly cold that the half-time show was called off. We couldn't help but feel sorry for both football teams. It was SO COLD!

In January the band lost their instructor, Mr. Thomas Shellhammer, to the Army. For a time we were unable to find an instructor but we found there was talent in our own band. Thomas Kellogg, a junior, took over the band and did an excellent job. During his time as instructor, the band played at the Farmers' Institute. Here, the public found out how proud they really are of Forest High School's Band.

The Board of Education was very fortunate to find Mr. Ralph Balmer to take over the position of director. Under the capable direction of Mr. Balmer, the band competed in the contest in April and played at Baccalaureate in May.

The band can not possibly express their appreciation of the work that the Band Mothers' have done this year and in previous years. We only hope that a big THANKS! could help just a little.

Members of the band are as follows:

Flutes: Mary Jane Forney, Sharlene Spearman. **Clarinets:** Mona Fortney, Betty Jones, Jean Hines, Marcia Staley, Audrey Switzer, Miriam Mentzer, Sally Edgington, Alice Jolliff, Geraldine Humphrey, Rosina Kaser, Carolyn Clinger, Pat Peart, Kay Kratt, Mary Spencer, Jeanette Frederick. **Saxophones:** Barbara Burk, Jo Ann Hemmerly, Doris Harman. **Trumpets:** Tom Price, Tom Kellogg, James Hamilton, Vivian Cooper, Virginia Jolliff, Marsha Packer, Donna Miller, Donna Anderson. **Horns:** Duane Smith, Barbara Parsell. **Trombones:** Carole Lehman, Leota Phillips, Phyllis Jones. **Baritones:** Margaret Bash, Miriam Burk. **Bass:** Wanda Musgrave, Pat McKinley. **Percussion:** Paul Staley, Tom Eatherton, Evelyn Tracy, Lois McMaster, Janet Rockwell. **Twirlers:** Erna Simpson, Carolyn Baum, Janice Musgrave, Phyllis Landon, Louise Ratliff, Gene Johnson. **Drum Major:** Clyde Harrold.

Mixed Chorus

FIRST ROW: Ida Packer, Marilyn Anderson, Miriam Mentzer, Betty Jones, Carolyn Clinger, Janice Zimmerman, Carolyn Krout, Lois McMaster, Audrey Switzer, Pat Peart, Patsy McKinley, Wanda Musgrave, Carolee Curran.

SECOND ROW: Rosina Kaser, Erna Simpson, Carole Lehman, Mona Fortney, Barbara Burk, Shelba Landon, Geraldine Humphrey, Geneva Gobrecht, Arlene Hemmerly, Deloris Overly, Sally Edgington, Doris Harman, Donna Miller, Shirley Kalb, Betty Johnson.

THIRD ROW: Eileen Thiel, Sharlene Spearman, Marcia Staley, Marsha Packer, Roxie Landon, Mary Lou Smithson, Beth Alguire, Joann Weber, Evelyn Tracy, Shirley Patrick, Donna Anderson, Esther Sellars, LaDonna Tracy.

FOURTH ROW: Janet Rockwell, Carolyn Baum, Paul Staley, Richard Wilcox, Kay Albert, Duane Smith, Bob Johnson, Bill Parsell, Clayton Bash, Estil Williams, Don Wilkins, Louis McMaster, Phyllis Jones, Mary Jane Forney.

The Mixed Chorus this year is an organization of 45 girls and 10 boys under the direction of Mr. Thomas Shellhammer the beginning of the year and Mr. Ralph Balmer the latter part of the year. Mr. Shellhammer was called to the service in January, and although the loss was great, Mr. Balmer has very successfully taken over the work as music instructor.

The chorus had practiced very hard during the month of December. They were prepared to give "The Christ Child" and Fred Waring's arrangement of "'Twas the Night Before Christmas" but due to the weather conditions, school was unable to be in session and the musical was called off.

Members of the chorus sang and danced in the minstrel given March 13, and 14. This successful event was sponsored by the Band Mothers for the purpose of raising money to buy new instruments.

The annual contest in April, a Spring Musical, and Baccalaureate will complete the activities of the Mixed Chorus for the school year.

The music students want to wish Mr. Shellhammer the best of luck in his Army career, and also, to acknowledge the marvelous work Mr. Balmer has done.

Homecoming

The date of the annual Homecoming game and dance fell on the night of October 5, 1951. Before a crowd of 1500, the Rangers rose to victory with a score of 32 to 18 over the Kenton Wildcats to start the evening on its way to being a complete success.

Chosen by her school mates, Carolyn Baum took the honor of Homecoming Queen with a fellow senior, Janice Musgrave, and a junior, Wanda Musgrave, as her attendants.

The queen wore a black velvet dress with a white lace inset at the top trimmed with rhinestones. She wore black suede pumps. Her attendants wore gold corduroy dresses trimmed in black velvet.

The queen and her attendants made their entrance on the football field, riding slowly in a red convertible, owned and driven by Claire McVitty. They rode to the center of the field. Then their escorts, Raymond Weber and Everett Woolley, accompanied them through the aisle formed by the Forest Band to the microphone where Beth Alguire, after a short speech, presented them with gold mums.

After their appreciation was expressed, Carolyn, Janice, and Wanda took their places in a reserved section where they remained to view the football game.

Following the game, the queen and her attendants returned to the gaily decorated gymnasium. There the crowning of the queen and Homecoming dance were to take place. Accompanied by their escorts, they entered the gymnasium, and through an archway formed by the students, they crossed the floor and ascended to the stage where Carolyn Baum was crowned Homecoming Queen of 1951-1952 by Everett Woolley.

Welcomed to the dance, also, were those from Kenton who had attended the game.

The three girls, the queen and her two attendants, want to express their appreciation and thank those who helped to make this night one of the happiest and most complete nights of their lives.

Football

We were pleased at what we saw in the Prevue game played at Upper Sandusky. Our team played Richwood and won by a score of 14 to 0:

We opened our regular season by a win over the Elida Bulldogs in a league game. The Rangers scored early and were ahead at the half 24-0. Elida made 7 points in the final quarter which gave us the victory 31-7.

In the next game with the Pandora Fleetwings, the Rangers scored in every quarter while holding their opponents outside their 35 yard line. The final score was 45-0.

Still on the victory trail the following week, the Rangers subdued the Delphos Jefferson Wildcats 47-20 with many substitutes seeing action.

With Kenton furnishing the opposition for the Homecoming game, a large crowd was present to witness this contest which always furnishes plenty of thrills. However, our team made the occasion one of rejoicing by handing the Kenton Wildcats a 32 to 18 beating. This was our first non-league game.

Lafayette fell next before the rapid moving Rangers. Although they tried hard and gave us a few bad moments, the final score was Rangers 40-Lafayette 14.

Things were going too smoothly for the Rangers and on Dad's night trouble caught up with them. Columbus Grove, after trailing most of the way came back strong in the closing minutes to upset the Rangers 13-12. Our boys tried desperately to pull the game out of the fire by a field goal in the last play of the game but were unsuccessful. This was our first league loss.

Spencerville felt the wrath of the rebounding Rangers and were defeated 13-7.

Our boys stepped outside the league for their annual game with Ada. The Rangers, remembering scores of the past, took Ada's measure by a score of 42-0.

Since our standing in the league could not improve by winning, the game with Shawnee did not carry the thrills of the former games. This game found the Shawnee Indians scalping the Rangers to the tune of 19-14.

The league loss to Columbus Grove, who were tied only once and not defeated at all, pushed the Rangers into second. Even though seven Seniors are leaving the squad, the prospects for the coming year in the North-Western Conference League are good.

Basketball

The Forest Rangers started the season with a win over the Mount Victory Green Devils when we met them on their floor December 7, 1951. The score was 58-42.

Next we handed Marseilles their first defeat of the season. This was a non-league victory for Forest played on the Marseilles floor. The final score was 64-54.

Roundhead met us next here at home and we ran away with the game with a score of 82-57. This was our second league win.

There were games scheduled with Ada and Rushsylvania but both were cancelled because of bad weather.

The Forest Rangers handed the Alger Eagles a 79-56 loss and gained their third league win.

Arlington traveled to Forest to lose to the Rangers in a hard fought game with a close score of 58-52.

The Forest Rangers, playing their best ball during the first period, defeated the Dunkirk Pirates on their floor by a score of 57-39.

Reserve

SEATED: Raymond Woolley, Joseph Conley, William Parsell, Elmer Seymour, Eugene Anspach.
STANDING: Bill Holtzmuller, Bill McDaniel, Franklin Hemmerly, James Johnson.

The Forest High team smothered Dola with a score of 89-33 in a game played on the home floor. This gave the Rangers their seventh victory of the season and their fifth league victory.

The Rangers won over Salem by a score of 68-60 in the next game. This, too, was played on our own floor.

Our next league game was with Ridgeway. Ridgeway led at the half by a score of 36-34 but Forest held them down to seven points in the last half, showing strong defense work. Forest won with a final score of 70-43.

To give the Rangers their tenth straight win, they defeated Wharton by a score of 46-39 in a comparatively slow-moving game.

In the next game with McGuffey, both the Reserve and Varsity teams were handed their first defeat of the season. McGuffey won by a score of 51-49. This tied Forest and Alger for league honors. Both had a 6-1 won, lost record.

Our last two games were non-league games. Forest again beat the Dunkirk Pirates with a score of 70-44 and then climaxed the regular season by a thrilling 70-68 victory over Sycamore, champions of the Wyandot County League.

The Varsity team traveled to Ada to play in the county tournament and came out as runners-up, being defeated once more by McGuffey, 58-55, who took the honor of tournament champions.

Next we went to Celina to play in the district tournament. In the first game, we won over Rockford with a score of 49-47, but we were defeated by Delphos St. Johns, 55-48, on our second trip. And thus, our basketball season for 1951-1952 was ended.

The Student Council

The Student Council has been very successful in its many activities of the past school year. Its members are elected from each of the high school classes as follows: one member by the students, one by the faculty, and the third member is the class president.

The Council started the year with a bang on October 25, 1951, by organizing a pep rally for our football team. Near Christmas, letters were written to the servicemen of the community and were found to be greatly appreciated.

The noon hour gym schedule, hall monitors, patrol boys, and school librarians were set up by the Student Council.

Due to snows, the Student Council did not sponsor the Christmas Dance after the Rushsylvania basketball game as had been planned. (Both were cancelled.) However, they sponsored a Sadie Hawkins Day Dance and a short dance after the inter-class basketball tournaments. These dances provided the money which will, in the future, start a school phonograph record library. Also, the Council discussed and promoted the dancing lessons which the school curriculum now offers. We have found that these lessons make our dances much more enjoyable.

Second Semester

STANDING: D. Ray Baum, Yvonne Frater, Pat McKinley, Raymond Woolley, Elmer Seymour, Sharlene Spearman, Paul Staley, Carolee Curran, Everett Woolley, Mr. Reese.
SEATED: Florence Garman (Treasurer), Mervyn Curran (Vice-President), Tom Kellogg (President), Carole Lehman (Secretary).

The Council has been found in many different jobs, including cleaning up the library and keeping the students quiet. (?)

Mr. Baum gave the Council a talk on the athletic financing of our school. It was very interesting, and shall, no doubt, be a great help in the future.

All in all, we have enjoyed being representatives of the student body, and hope that our efforts have helped in many ways.

The Student Council

Thomas J. Shellhammer

Mr. Shellhammer came to Forest from Tiffin, Ohio, where he was an alumnus of Heidelberg College. He not only taught in Forest but also played for many churches and directed their choirs.

We are very sorry to lose Mr. Shellhammer to the United States Army. He made many friends in the short time that he was here and proved himself a capable musician.

We thank him for his splendid work at Forest High and wish him Good Luck in his future life.

"Crazy Moments"

No, they haven't been committed - - - yet! . . . What a place to dream in! . . . Gee, girls, it looks like more fun! . . . Mary Jane, aren't you forgetting your responsibilities? . . . Wanda and Pat, in their more tender years! . . . Could this be the Baum family? . . . Hup, hup, hup, what an advertisement! . . . Initiation can't even keep "Bill" from being written all over Audrey's face . . . Janice and her chew-chew-bubble gum . . . Bill, with that "come hither" look . . . Our Norm, on the "last mile home" . . . Hey, Wanda, what's up, got a bite? . . . That male material in the Frosh class just can't be beat . . . It's a bird, it's a plane, no, by gosh! It's a fly ball . . . We wonder if Sharlene finished the whole job? . . . And we all watched the birdie . . . Look who is top man on the totem pole! . . . Wasn't Barbara P. darling in her babyhood? . . . What, where, when, and for Pete's sake, why? . . . Those daring Senior girls—(bet somebody got wet) . . . Such a mess! . . .
